

To Whom It May Concern:

I am pleased to recommend the Law of Attraction (LOA) seminar series presented by Lorraine Rice of *Yes I Can* and Lorinda Weatherall of *A-W-E Therapies*.

Unless you have been completely cut off from the media over the last two years, you have heard of *The Secret*. What many people have found is that they are unable to manifest their success after just watching the movie or reading the book.

The missing elements are found in the wonderful seminars offered by Lorraine and Lorinda. Their high-energy, insightful sessions will get you unstuck and show you how to make the most of your personal power to change your life.

Learn how to identify and eliminate your limiting beliefs, change your perspective on what is possible and stretch your manifesting muscles. Lorraine and Lorinda will have you on your feet doing the "gratitude" dance in no time!

Don't hesitate...don't second-guess....just register for the full series and change your life forever.

Yours in abundance,
